Work Experience

Software & Automation Developer

2021 – Present

PT Astra Otoparts Tbk

Developed and maintained the B2B application bisnis.astraotoshop.com, built internal tools using JavaScript and SQL, led RPA automation projects, and created system documentation to support cross-functional integration.

IT Support

2020 – 2021

PT Astra Otoparts Tbk

Provided technical support across departments, handled troubleshooting for hardware and software issues, and maintained internal IT systems to ensure smooth daily operations.

DevOps Intern

2020 (4 months)

Pasaryoo App

Monitored system uptime, supported mobile backend stability, assisted in UI interface improvements, and contributed to minimizing application downtime.
